

The Learning Tree

Helping Children Learn and Grow

The Learning Tree

The Learning Tree, Inc. has been providing behavior analysis services to individuals with intellectual disabilities and autism in the state of Alabama for more than 30 years. Since beginning as a single group home, The Learning Tree has grown into an agency serving over 400 children and adults in Alabama. Our programs include early intervention preschools, residential programs, education services, and school consultation. Now, The Learning Tree is expanding service to include Outpatient Clinics. This means immediate opportunities for Behavior Analyst for Outpatient Clinics in Birmingham, Mobile, and Montgomery.

Outpatient ABA Services (BCBA)

Our clinic behavior analyst will work under the supervision of an experienced BCBA, and they will have access to Registered Behavior Technicians to assist with the implementation of behavioral services.

Outpatient behavior analyst responsibilities will include:

- Conducting behavioral assessments
- Developing acquisition and reduction programs
- Implementing acquisition and reduction programs
- Training RBTs and family members on behavioral programs
- Monitoring the implementation of behavioral programming
- Maintaining all documentation necessary for billing insurance

Qualifications: Minimum of Master's degree in Psychology or Education, certification as a Board Certified Behavior Analyst required; minimum of one year's experience preferred

BCBA Positions at The Learning Tree, Inc. include:

- Competitive Salary
- Blue Cross Blue Shield Health Insurance
- Employer matching retirement plan
- Liberal leave package
