Website: [www.ZOeABA.com](http://www.ZOeABA.com)

ZOe Center for ABA and Development Services provides in home and center based Applied Behavior Analysis (ABA) therapy to individuals with Autism Spectrum Disorder in and around the Columbus, Georgia area. We conduct comprehensive assessments and develop a behavior plan that is tailored specifically to the needs of the individual and their family. The Individualized Behavior Plan includes teaching skills and a plan for reducing target problem behaviors. ZOe ABA provides an array of services to include one to one therapy, social skills programs, and community programs.

### **Positions Available:**

#### **Board Certified Behavior Analyst or Board Certified Associate Behavior Analyst**

We are looking for motivated and energetic Behavior Analysts to complete the follow responsibilities:

- Conduct comprehensive assessments
- Develop individualized behavior plans
- Develop and implement teaching skills
- Develop and implement behavior reduction procedures
- Provide quality training to the RBT, caregiver, and stakeholders
- Provide observation and feedback, using fidelity checklists
- Analyze data at least weekly, and create weekly graphs that are shared with the team
- Maintain all required documentation via online system

### **Benefits:**

- Flexibility with schedule
- Supportive structure with Peer Reviews
- Competitive rates
- Free access to a variety of assessment tools
- Electronic scheduling, plan development, progress notes, data collection, and maintenance of documents
- Opportunities to obtain CEUs
- Annual stipend for CEUs for full-time contactors
- Annual stipend for state ABA conference for full-time contractors
- Leadership opportunities
